

FOOTPATH 6A

When you cross Covell's bridge bear left and a path leads to Fen Drayton Lakes ending at a bailey bridge (TL347689) on the entrance road to Fen Drayton Lakes This path follows the edge of the lakes and takes you to the request stop for the guided bus at the edge of the RSPB Fen Drayton Lakes (TL335695).

FOOTPATH 7

Accessed from Taylor's Lane but turn left after the cemetery and the track connects with the road to the RSPB reserve at Fen Drayton Lakes. Cross the road and the path continues as a grass track leading to Fen Drayton. Cross the footbridge over the drain (TL347685) to join the footpath to Fen Drayton.

FOOTPATH 8

Start at Cow Fen Drove (TL363689) and turn left over footbridge to a narrow path between the drain and the hedge. Pass the junction with **Footpath 10**, cross the drain and after 40 metres go through the kissing gate into a meadow-Church Green. Cross the meadow along a slightly raised causeway which joins Station Rd at Church bridge (TL362691).

FOOTPATH 9 (LAIRSTALL DROVE)

Leave Cow Fen Drove (TL365690) and after 200m turn left and head NE along gravel and grass track with ditches and drain alongside. This is a bridleway until you reach the busway, then it becomes a footpath. Cross the busway track and follow the deep drain until the footbridge that crosses Swavesey drain, cross the drain and continue North of the drain- follow the footpath to Over though meadow and orchard (permissive path).

FOOTPATH 10

Links 37 Market St with **Footpath 8** at the footbridge over the drain.

FOOTPATH 11 (BRICK KILN DROVE)

Leaves Cow Fen Drove just before the junction with Lairstall Drove a mown grass track between hedges, it heads south then turns west along the side of a field joining the Recreation Green (TL 364685). Follow path across the green to High St. At the High St end there is a children's play area and Pinks café (limited opening hours).

FOOTPATH 12 (COW FEN DROVE) (TL362690)

Path runs from Market St past Fen Willow Farm. A gravel track- crosses a raised bridge over Utton's Drain and then changes to a grass track. At a stile it enters a field, cross this field diagonally in south easterly direction to a footbridge in the corner. Follow the hedgerow to Ramper Rd (TL380674).

BRIDLEWAY 13 (TL 365695)

Start at the guided busway and take the footpath towards Over. Mare Fen Nature reserve (flooded in winter) is on your left. Continue to the top of the hill and it will lead to **Footpath 1**, but if you follow the signposted road towards Longstanton/Cambridge it will link with **Footpath 9**.
